

Connellsville Diversity & Inclusion Board Meeting Agenda
May 15, 2023

I. Call to Order

II. Review of minutes

III. Old Business/Updates

IV. New Business

- Intern Introduction
- Juneteenth Update
- Pride Update from Paula:
 - PA American Water joins our sponsors at \$1000. Thanks to Mayor Lincoln for the work there!
 - After filming the Pride in the Park event segment for Armstrong Cables In the Know, producer Dave and Chip asked what they could do for the Board in terms of diversity, inclusion, LGBTQ focus and Pride. I stressed that I would like to focus on some education in these areas and they suggested short topics and content creation for their program that we could use on our social media. We are thinking of getting together in June and filming concerning topics regarding the LGBTQ community. June, with its Pride celebrations, might focus on the various flags or the gender and orientation terms to help to educate folks not familiar or confused by all they hear. I believe they were going to talk with Toni about doing some possible segments as well.
- June's Meeting
- Other
